Dear Steve

Re: Glynde & Beddingham Parish Council
Internal Audit Year Ended 31 March 2023 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on 4 May 2023 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Glynde & Beddingham Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 13 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The year-end audit was conducted remotely with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit and forwarded me a link to complete my review ahead of a scheduled telephone conversation.

The council continues to use Excel for recording the day-to-day financial transactions of the council. This is a suitable system for a council of this size with limited transactions. The system is used regularly to record transactions and produce management information reports for review at council meetings.

All the required documents were neatly arranged and easy to locate and overall, the council's systems and policies are extremely thorough for a council of this size and are an excellent example of best practice for any size council.

Other information was reviewed through discussion with the Clerk and a review of the council website www.glyndebeddingham-pc.gov.uk

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The council correctly declared itself exempt from a limited assurance review for 2021/22 and therefore received no External Auditor Certificate. Other information related to the AGAR is published on the council website.

Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of councillors and includes their individual Register of Members' Interests Forms.

Confirm that the council is compliant with the relevant transparency code.

As the council's income and expenditure is below £25,000, it is a statutory requirement to follow the requirements of the Transparency Code for Smaller Authorities. I have checked compliance against this requirement in section L of this report.

Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Privacy Notice and Accessibility Statement on its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year.

Council meets regularly during the year, with meeting dates available on the website along with historic agendas and minutes.

Check that agendas for meetings are published giving 3 clear days' notice.

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. **I remind council it is required to also post any supporting documentation with the agendas as outlined by the Information Commissioner's Office** (page 3 of this link) ico.org.uk/minutesandagendas.pdf

Check the draft minutes of the last meeting(s) are on the council's website.

Minutes are routinely uploaded to the council website.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council at the meeting held on 25 January 2023 (minute ref 8.3.3).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 25 January 2023 (minute ref 8.3.3). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- *the council for all items over £5,000;*
- *a duly delegated committee of the council for items over £1000; or*
- *the Clerk, in conjunction with Chairman of Council or Chairman of the appropriate committee, for any items below £1000.*

Such authority is to be evidenced by a minute or by an authorisation slip duly signed by the Clerk, and where necessary also by the appropriate Chairman.

Contracts may not be disaggregated to avoid controls imposed by these regulations.

FR 4.5. In cases of extreme risk to the delivery of council services, the Clerk may authorise revenue expenditure on behalf of the council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1000. The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate.

As the audit was conducted remotely, I did not conduct a thorough review of invoices, but based on evidence within the minutes of meetings and the financial information made available on the council website and provided for review at the audit, I have no doubt that expenditure is properly authorised, and invoices are correctly recorded in the accounting records.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.

The council has section 137 expenditure within the allowable threshold for the year.

Check receipt of VAT refund matches last submitted VAT return.

The council is not VAT registered and submits its VAT return using the VAT126 form. I reviewed the submission for the period 6 April 2020 to 31 December 2022 which showed a refund amount due of £2,899.53. I was able to confirm receipt of the amount of £2,701.37 to the council's bank account on 24 January 2023, and the Clerk confirmed he is in contact with HMRC to determine the reason for the difference in the refund compared to the claim amount.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a thorough risk response plan and risk register in place which was most recently reviewed and approved by council at the meeting held on 25 January 2023 (minute ref 14.3.1). I reviewed the risk assessment which details the separate risk areas, the types of risk identified, assesses the likelihood and impact of the risk and assigns an overall risk rating based on a risk matrix and then provides detailed explanations of mitigation measures in place.

This is an extremely comprehensive approach for a council of this size and clearly demonstrates that the council takes its risk management responsibilities seriously.

I confirmed that the council has a valid insurance policy in place with Zurich. The policy includes Public Liability cover of £12 million, Employers Liability cover of £10 million and a Fidelity Guarantee level of £250,000 which is sufficient for a council of this size.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £11,854 for 2022/23. With a tax base of 182.3, this equates to a band D equivalent of £65.02 (compared to the average in England of £74.81).

I was able to confirm that the council approved the 2023/24 budget and precept at the council meeting held on 25 November 2022 (minute ref 13.3).

There is evidence of regular, detailed financial information being reviewed by the council at meetings throughout the year, and I have no doubt that councillors are provided with sufficient information to make informed decisions.

The Joint Panel on Accountability and Governance (JPAG) Practitioner’s guide states *‘the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure’* (para 5.33).

From discussion with the Clerk, the council are addressing the split of earmarked and general reserves as part of a longer-term financial plan to ensure that the council covers its normal revenue expenditure from the precept, and I recommend the council keeps the JPAG guidance above in mind during this process.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Apart from the precept, the council has limited sources of income. Amounts recorded in the accounting records contain sufficient narrative detail to identify the source, and I was able to confirm the precept amount in box 2 on the AGAR against the centrally held records.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee and has a signed contract of employment, based on the NALC template. I was able to verify that the salary is aligned to the NJC scale point range.

The council uses the HMRC Online PAYE tools to process payroll. I reviewed the payslips for January, February and March and the payroll deductions appear correct.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR). This initially excluded the HMRC payment, and **the box 4 figure should therefore be increased by £210, with the same amount deducted from box 6 to comply with the proper practices and ensure that only salary payments, HMRC payments and pension contributions are included within staff costs.**

There are no councillor allowances.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has a detailed fixed asset register in place which includes a description of each asset, the date of purchase and supplier, the original cost, estimated life of the asset, location, present use, custodian information, usage frequency, condition, any current charge made for use of the asset and the insurance value. This is a thorough and comprehensive documents for a council of this size and includes all relevant information required on an asset register.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

The council has no borrowing nor long-term investments.

I. BANK AND CASH**Internal audit requirement**

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Financial regulation 2.2 states 'On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.'

Bank reconciliations are completed and presented to council for review, with evidence of this available within the minutes of meetings. I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS**Internal audit requirement**

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	<i>'Yes', means that this authority</i>	Suggested response based on evidence

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and the comparatives have been correctly copied over from the 2020/21 AGAR.

The Clerk has completed the Certificate of Exemption, as the council's income and expenditure are below £25,000 for the financial year under review. The figures proposed are as below:

Total gross income £15,391

Total gross expenditure £11,823

I was able to verify the income and expenditure figure to the accounting records and Accounting Statement on the AGAR.

Although not required for submission to the External Auditor, the Clerk has completed the variance analysis demonstrating a thorough understanding of the council's year-on-year movements.

K. LIMITED ASSURANCE REVIEW**Internal audit requirement**

IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick "not covered")

Audit findings

The council met the exemption criteria and correctly declared itself exempt for 2021/22. The council meets the exemption criteria again for 2022/23.

L: PUBLICATION OF INFORMATION**Internal audit requirement**

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

As the council has an annual turnover not exceeding £25,000, it is still required to publish the required information in accordance with the Transparency Code for Smaller Authorities.

A review of the council website shows the following information available:

- Expenditure over £100
- End of year accounts
- Annual Governance Statement
- Internal Audit Report
- Councillor responsibilities

Details of public land and buildings
Minutes, agendas and meeting papers of formal meetings

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority's website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for the last five years.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	11 May 2022	16 May 2023
Date inspection notice issued	3 June 2022	26 May 2023
Inspection period begins	13 June 2022	5 June 2023
Inspection period ends	22 July 2022	14 July 2023
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2022 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4*
- *Section 2 - Accounting Statements 2021/22, approved and signed, page 5*

Not later than 30 September 2022 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*

•Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council has no trusts.
