**Subject:** Memorial bench

To whom it may concern,

I would like to make enquiries about the possibility of putting a memorial bench in Glynde, near the old working man's club, now the social club.

My father [REDACTED] recently passed away was a previous resident of Glynde and supported the club for many years working the bar and playing on the darts team. My mum and dad even had their wedding reception there. I myself spent many an hour in the play park opposite.

Please could you contact me to whether this would be possible and the costs/permissions required.

Yours Sincerely

[REDACTED]
