Councillors

I will put this on the agenda of the next meeting – which will be extra long as we have to resolve our budget for next year...

Can you have a look and see if you would like us to support? Our meeting is the 20th Nov, so it would work for us as responses are required by 1st December

Steve

Dear Clerk

The Chairman of Westmeston Parish Council has drafted the attached letter to MP James MacCleary and has asked that we share it with the Lewes parish and town councils for comment. It is an introductory letter to facilitate a meeting with him.

If you have any comments or thoughts, please respond directly to Councillor Cathy Mills on cllr.cathy.mills@westmeston.org.uk

Many thanks.

Kind regards,

Emily Simpson
