Glynde & Beddingham Parish Council - Q1 2024/2025 Banking Reconciliation

Glynde & Beddingham Parish Council Financial Regulations (section 2.2) state that:

On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.

This pack is created to enable the formal review and contains the following documents:

Bank Reconciliation Document

Live copy of Working Cash Book up to end June

Bank Statements for Period for Current Account

A single statement up to July to show the Savings Account transactions

Detailed Receipts and Payments Account

The 2024-25 Annual Budget as reviewed in November 2023

Therefore the purpose of this review process is to confirm that our internal accounting documents are aligned to the bank details by signing the "Banking Reconciliation" document, Working Cashbook, Detailed Receipts and Payments Account and Bank Statements to confirm

Narrative - To assist in this review the following description may be useful

We finished the 2023-2024 financial year cleanly with no unpaid cheques/transactions outstanding. This means that there is no requirement to normalise any figures and so the Opening Balances" are straight from the Bank Statements.

The "Banking Reconciliation" document then shows a consolidated view of the starting point, payments and receipts, for Q1 2024/25 and shows how the Council maintained documentation is reflected by the Bank Account.

The "Working Cash Book" shows all transactions line by line with full invoice details.

By way of explanation - you will see Cells coloured Blue - this is where we have made payments for the work at The Pool

Bank Statements are provided for verification and cross checking

For further information the "Detailed Receipts and Payments" sheet shows how the transactions are broken down to our various allocations for tracking - this document is maintained for visibility of expenditure against our budget lines.

The copy of the budget is included for information
